

Welcome to The Ridge!

HOUSE RULES

Granddaddy told me not to mess with the folks who sign your checks, cut your hair or mix your drinks. The results are likely to be anything but pleasant. Good advice for all.

We will listen to your troubles for a nominal fee. Dumb looks will be provided free of charge.

We do not serve "stiff" drinks, we serve good drinks. If you would like a "stiff" drink, it's called a "double". That's how you should order it.

NO smoking, spitting, cussing or fighting!

Most importantly, remember that life is too short not to HAVE FUN!

At our bar, the bartender rules your world.

We love your children, but not as much as you do. So try to keep them in the same vicinity as your table.
